Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussed rejections of record and recent abandonment. Examiner apologizes for the incorrect abandonment of the instant case. The Holding of Abandonment is hereby withdrawn given the timely filing of all required papers and the discussions between Examiner and Applicant. The claims will be allowable upon amendment of the claims to recite the following:

1. (currently amended) A method for decreasing mammalian absorption of fats by the gastrointestinal tract comprising inhibiting lipase activity in a mammal, said method comprising the step of: orally administering to said mammal anti-lipase avian antibodies that decrease activity of said lipase relative to a control, wherein said control does not receive said avian antibodies, wherein said inhibiting decreases the breaking down of ingested fats thereby decreasing the absorption of said fats by the gastrointestinal tract.

18. (currently amended) The method of claim 1, wherein said avian antibody is fed in powder form or in liquid form as mixed whole egg or mixed yolk..
